

Liu's diary

Your diary should give a detailed descriptions of Liu's life now she has moved to the city. You have your push and full factor spider diagrams and your Nokia extract to help you.

You could use the ideas below to help you to plan what you are going to write:

What did you think life in Shanghai would be like? Is it how you thought?

What is life like working in the Nokia factory?

What are the positives (Good things) about living in Shanghai and working in the Nokia factory?

What are the negatives (Bad things) about living in Shanghai and working in the Nokia factory?
