

Landforms Vocabulary Concentration Game

Directions:

Prior to play: Cut out cards and laminate for durability.

To play: Shuffle cards. Place all cards face down in a grid pattern. Player one will begin by flipping two cards. If the cards contain a matching word and definition, player 1 removes the two cards and keeps them.

If the cards do not match, flip cards to their original position. Each player continues flipping cards, two at a time, until all matches have been found. The player with the most matches at the end of the game wins!
