

Describe

tundra

without using the words:

- 1 ice
- 2 Arctic
- 3 cold

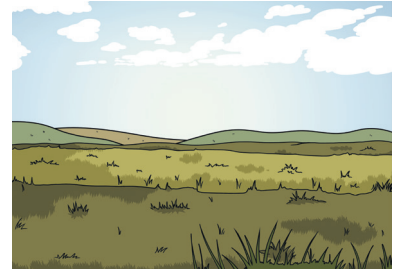

Describe

desert

without using the words:

- 1 dry
- 2 hot
- 3 Sahara

Describe

grassland

without using the words:

- 1 grass
- 2 trees
- 3 open

Describe

rainforest

without using the words:

- 1 humid
- 2 tropical
- 3 equator

Describe

savanna

without using the words:

- 1 grassland
- 2 open
- 3 scattered

Describe

taiga

without using the words:

- 1 forest
- 2 cold
- 3 snow

Describe

temperate forest

without using the words:

- 1 moderate
- 2 deciduous
- 3 seasons

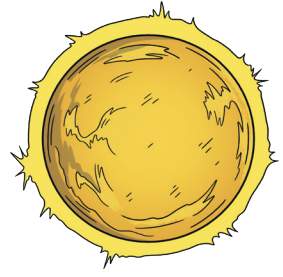

Describe

biome

without using the words:

- 1 ecosystem
- 2 continent
- 3 species

Describe

climate

without using the words:

- 1 temperature
- 2 weather
- 3 precipitation

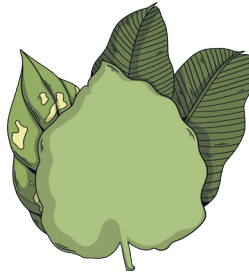

Describe

adaptation

without using the words:

- 1 organism
- 2 feature
- 3 environment

Describe

diversity

without using the words:

- 1 variety
- 2 selection
- 3 large

Describe

precipitation

without using the words:

- 1 rain
- 2 atmosphere
- 3 water
