

**ASSESSMENT TASK 2 – INVESTIGATION**

**FACTORS INFLUENCING THE RETRIEVAL OF INFORMATION FROM THE WORKING MEMORY**

Name: \_\_\_\_\_

**DRAFT COPY**

**ABSTRACT**

**INTRODUCTION and Literature Review**

General background information/theories:

Aim:

Operational hypothesis:

Independent variable:

Dependent variable:

## **DATA COLLECTION METHOD**

Participants:

Materials:

Procedure:

## **RESULTS**

Tables and/or graphs:

Description of data:

### **INTERPRETATION OF RESULTS**

Conclusions relating to the hypothesis:

### **DISCUSSION AND EVALUATION**

Discussion of controlled and uncontrolled variables:

Discussion of potential extraneous variables and their impact:

### **CRITICAL ANALYSIS OF FINDINGS**

Relevant methodological flaws and suggestions for improvement:

Relevant APS ethical considerations and whether they were adhered to:
