

ASSESSMENT TASK 10 – ESSAY 2

REMEMBER THE TITANS: ATTITUDES, RACISM AND CULTURE

NAME:**TASK:** (51 marks) (5% Response)

Simple interpersonal contact is not sufficient to reduce prejudiced attitudes. Prejudice is most likely to be reduced when several factors are in effect. This task requires you to consider the above statement while viewing the film *Remember the Titans*. Based on your understanding of the relevant psychological concepts, and using examples from the film, you will write an essay response examining the factors that contribute to the development of prejudice and the factors which reduce prejudice.

UNIT LEARNING CONTEXT:

Unit 4 – Others: Culture & Values and Social Psychology

OUTCOMES:

- *Outcome 1:* Psychological understandings;
- *Outcome 3:* Applying and relating psychological understandings
- *Outcome 4:* Communication in psychology

CONTENT:

- Social categorisation and stereotypes
- attitude formation – Tripartite model
- racism
 - causes of prejudice
 - reducing prejudice

ALLOCATED TIME FOR THE TASK: You will have *two weeks* to prepare for your response. This will be completed as an in-class assessment over one period under test conditions (no phones, notes, talking...).

You will be issued with the front side of this task sheet to assist you during your write-up.

Write-up date: *TBC*

Activity details: what you need to do:

1. Complete in detail the key definitions sheet issued in class. This includes the key definitions and theories you need to be familiar with for your response.
2. View the film *Remember the Titans*. Complete the viewing activity sheet exploring causes of prejudice and ways this is reduced in the film. *Include plenty of detail as this sheet will be critical in your essay preparation.*
3. Review the Unit 2 Social Psychology and Culture & Values section from Psychology: Self and Others. Additionally, re-read the two extracts issued from Heinemann Psychology One. Consider what these tell us about the way attitudes, and especially prejudiced attitudes, are formed as well as how they can be reduced. Consider how this applies to *Remember the Titans*.
4. Use the information you have gained to write an in-class response addressing the points below:

Paragraph 1 – Introduction:

- Define *attitudes*
- Describe how people form attitudes, providing an example from *Remember the Titans* to demonstrate your explanation.

Paragraph 2 – Components of attitudes:

- Explain how the three components of an attitude are related to prejudice
- Use a character from *Remember the Titans* to demonstrate your explanation

Paragraph 3 – Factors that contribute to conflict between racial groups:

- Explain **two (2)** factors that can create conflict between racial groups. Choose from 'stereotypes', 'prejudice' and 'discrimination'
- Discuss an example from *Remember the Titans* for each of the two factors explained

Paragraph 4 – Factors that reduce conflict between racial groups:

- Explain **two (2)** factors that can reduce conflict between racial groups. Choose from 'sustained contact', 'mutual interdependence', 'superordinate goals' and 'equality of status'
- Discuss an example from *Remember the Titans* for each of the two factors explained

Paragraph 5 – Conclusion:

- Discuss the benefits to society of reducing prejudice and discrimination between its members.
