

How does a city become less liveable?

Wednesday, 7 June 2017 4:46 PM

To consider how a city in the top ten most liveable might fall down the ranks.

7.3 What makes Melbourne the world's most liveable city?

Read the information, study the photos and diagrams in the chapter about Melbourne.

1. What are the good things about Melbourne?
2. What are the bad things about Melbourne?
3. Is Melbourne all the same? Give reasons.

Using Melbourne as an example. Consider the following question:
'Why might a city fall down the 'liveability ranks'?

Consider and **discuss** your response and come up with 8 reasons.
Write a TEEL paragraph explaining your reasons.
