

Types of precipitation:

Have students match the description to the type of precipitation. Students may then draw & color a picture of the precipitation. In order to make it more of a study guide use construction paper and make the foldable below.

SC ESS2.D

RAIN

RAIN

SNOW

SNOW

SLEET

SLEET

HAIL

HAIL

A mixture of
rain and snow

A mixture of
rain and snow

Falling drops of
liquid water

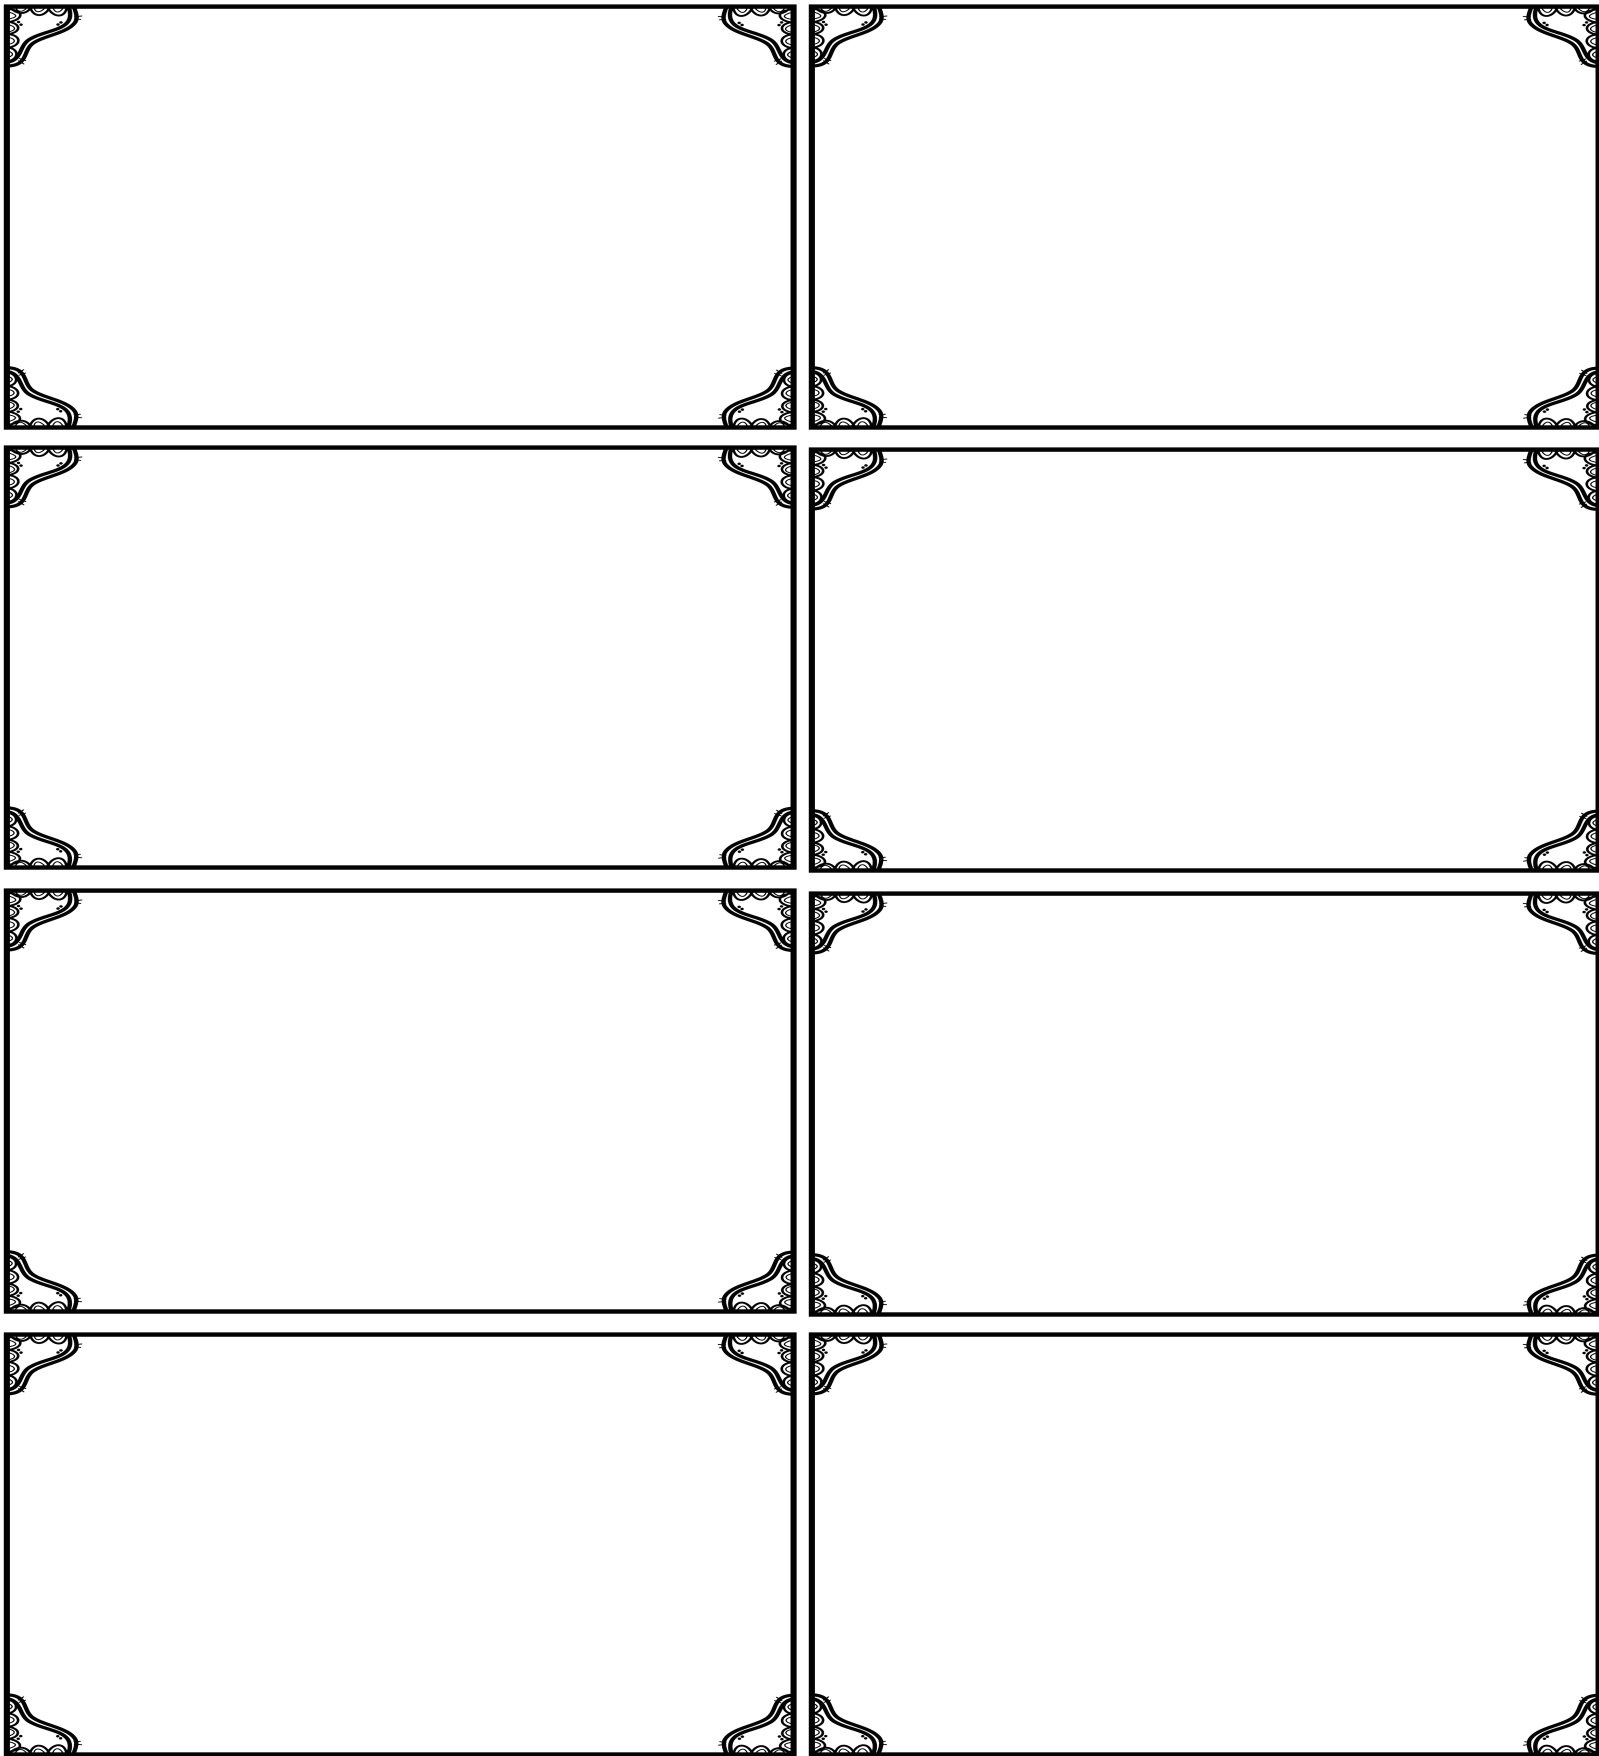

Falling drops of
liquid water

Small balls of ice
that fall from clouds
during a
thunderstorm

Small balls of ice
that fall from clouds
during a
thunderstorm

Falls when the
temperature in the
cloud is below
freezing

Falls when the
temperature in the
cloud is below
freezing

THANK YOU FOR YOUR PURCHASE!

Thank you for purchasing this resource. I hope you find it useful in your classroom. If you have any questions, please contact me at alukefahR@rolla31.org
