

Value of Mountain Ecosystems

Aesthetic value

Revision – Aesthetic value means the value placed on something due to its beauty.

TASK: Find a song that is based on the landscape of Australia

- Find a copy of the lyrics (words) of the song
- Choose one paragraph from the song and copy it below

How does the song describe the Australian landscape? Make a list of the words that are used to describe.

List of words

Spiritual and Cultural Value

Revision – Cultural and spiritual value means that something can be used to create the identity of cultures or communities.

TASK: Find a picture that represents the Three Sisters and the Dreaming.

- Draw it in the box and colour it in.
- How does the picture link to the story?

Economic Value

Revision: Economic value means something that can be used to make money.

TASK: Create a poster showing the reasons why people would want to visit Mount Kosciusko. You should research the area on the internet and find examples of places and attractions that people would want to see.
