

Push-Pull Factors for Migration

Push-Pull factors are the reasons that people want to leave one country (push) and go to another country (pull). Categorise the following factors as Push or Pull and add any more that you can think of into the table.

| | | | |
|------------------|--------------------------|-------------------|-------------------|
| High Crime Rates | Employment Opportunities | Natural Disasters | Stable Government |
| Peace | Poverty | Persecution | Famine |
| Medical Care | Fertile Land | Disease | Safety |
| Pollution | Freedom | Unemployment | War |
