Nolanana & Moddie

A long time ago, in the dream. A woman from the Yindjini tribe, Dalana, fell in love with a warrior, Dyga.

They fled their tribes and escaped...

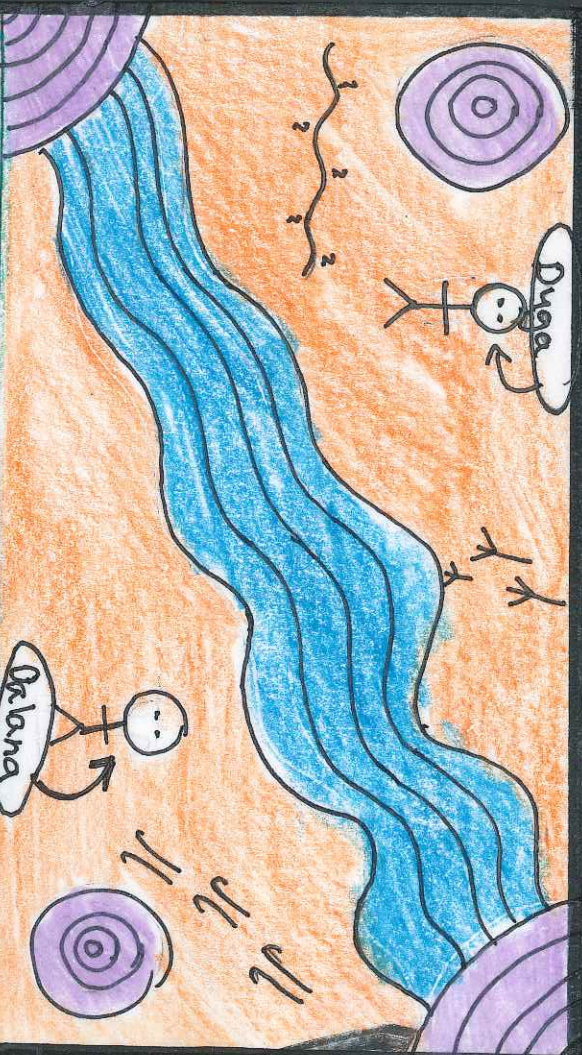

into the wilderness.

She was saddened and left with grief.

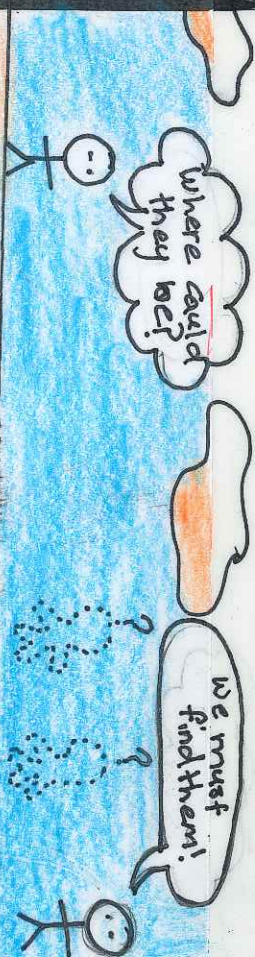

Dalana had decided to throw herself into the river.

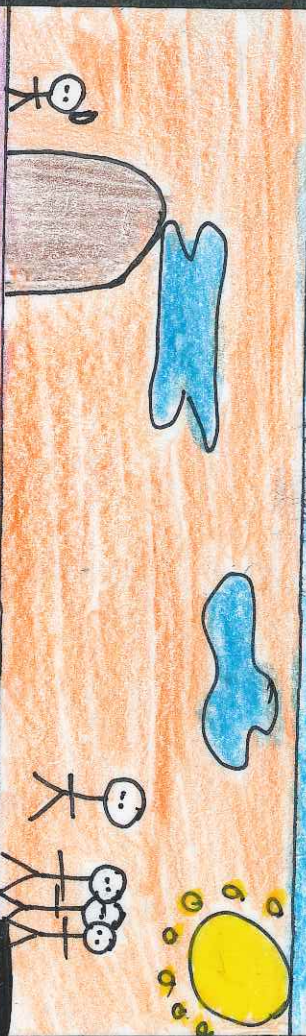

Problem was, he was from another tribe...

The Elders began to search

where could they be?

We must find them!

When found... Dyga was dragged away from Dalana while she escaped.

But then an idea

She decided to do something

To this day, men who have passed Devil's Pool have disappeared, never to be seen...
