

Beijing population:

Shanghai population:

The 2 graphs show the amount of people moving into the city over ten years.

- 1) Why do you think people have migrated into these 2 cities?
- 2) Even though Beijing is the capital city, why do you think more people have moved to Shanghai?
- 3) Find the location of the 2 cities on the map. Why do you think they have grown to be big cities in China?

Numeracy challenge:

- 1) Hulls population is around 264,000. How many times bigger is the population of Beijing?

Challenge:

- 1) What challenges do you think these 2 cities have faced with such a large population moving in over just ten years?
- 2) What positives do you think these 2 cities have experienced because of migration?
