# Sorting Organisms **Activity**

On the following page you have been provided with the taxonomy of a human. Cut out each of the organisms shown and then paste them into their most specific taxonomic level indicated in the table.

For example, a spider belongs to the kingdom animalia, but it does not belong to the phylum chordata. This means that you need to paste the spider into the animalia row.

Tree	Gorilla	Flowering plant	Lizard	Fish	Fruit	Chicken	Bumblebee	Centipede	Crab	Human	Fern
Jellyfish	Mushroom	Orangutan	Turtle	Frog	Macaque	Tarsier	Bat	Lion	Spider	Mould	Mouse
Dugong	Dog	Neanderthal									

Disclaimer
To ensure the safety of the children in your setting, it is your responsibility to assess whether adult supervision or other appropriate safety measures are required when using scissors.

Domain
Eukarya
